LAUDIS-ZA SERIES

LAUDIS ZA series is our automatic press, can be used on sand or powder material

Automatic model mold can be replaced quickly, auto start, pressurization, heating and cooling.

Z 200A-20T easy to read pressure gauge and equipped with double cooling loop system.

MODEL NO.	Z 200A-20T
Mold Size	200x400mm
Max. Strength	20,000kg
Electro Thermal	3200W
Vertical Stroke	200mm
Vertical positioning Stroke	100mm
Machine Size (WxDxH)	1240x600x2260mm
Max. Distance Height	330mm
Power Supply	AC220V-3Ø
Weight	350kg
